**WELCOME** to the first edition of the Dossier under new management

From the editorial team of Moira, Pauline, Sue & Russ

& distribution team of Linda & Peter, Pam & Brian, Susan, Von & Kate, Helen &

Roy, Debbie, Diana, Jean & Beth

Following more than 5 years of success with the Dossier, which was created and

run by Jean and Diana for the benefit of village residents, there was a real sense

of loss when they decided to call it a day. A small group from the village has

agreed to keep it going as a quarterly publication starting in July 2015. In future,

publications will be at the end of October, January, April & July.

afternoon of fun and laughter, cheering on 30 plastic ducks racing  
beck. Stalls and BBQ, tombola and afternoon refreshments ensured everyone  
had much to do. The vice chair Stephen Hyde said "What a terrific afternoon,  
we are delighted so many people came along to support us". The event raised  
**£737.60** for twinning funds.

The Dunston duck race will be held again next year with an even bigger event!

**The French visit 2015**

The Dunston Twinning Association will visit our friends in France for 3 days on  
25<sup>th</sup> October. Planning for the visit is now well advanced and members are  
looking forward to renewing old friendships as we visit France. The twinning  
association is now into its 26<sup>th</sup> year and many long term friendships have been  
made with members visiting their friends for family occasions outside the  
twinning events. The Association is constantly looking for new members and  
are French families with children keen to join, so if you want to know more  
please telephone Geraldine Gunner, Membership Secretary on 01526 323576

**IDEAS**

The play equipment is now being well used and the team are hopeful that during  
August they will have sufficient funds to install an access path from the car park  
to the far side of the play equipment to enable parents with buggies, and less  
abled people with mobility aids to enjoy the facilities. The IDEAS team have been  
busy behind the scenes raising funds for this project, and once the path is in  
place this will complete their phase 1 development. IDEAS, with the permission  
of the Parish Council, will also be installing two picnic benches.

IDEAS, is an independent community group, has over the last few years  
worked to achieve what you see on the field today. Some of the original team
