## WELL DONE- IDEAS TEAM

Following the good news the team announced in last month's Dossier of grant funding for play equipment from WREN (Waste Recycling Environmental), an offer by Branston Limited to purchase a piece of equipment has also been received. The development of the playing field will commence shortly. The IDEAS team recently applied for funding in a competition organised by ProHelp and have heard that they have been short-listed for one of their prizes. ProHelp are businesses offering their professional expertise free for community projects. The team have been asked to give a spirited 15 minute presentation of the project and are hopeful that even if they do not win the top award, they might interest a business to support and develop the project further. The team has worked tirelessly to get this amazing funding and support for play equipment which will be a legacy for Dunston.

## WELL DONE DREW

Thanks to Drew Hilton for his quick reaction when he noticed smoke rising from a conifer hedge which then suddenly burst into flame. He immediately alerted neighbours who doused the rest of the hedge with water containing the fire until the Fire Brigade arrived to put it out. Although part of the hedge was destroyed, serious damage to the property and vehicles parked in the drive was prevented thanks to Drew's prompt action. It is thought that the fire may have been started by a carelessly discarded cigarette end.

## OBITUARIES

**Michael Hammond.** Diana Hammond and her family would like to thank everyone for their support and messages of sympathy following the death of Michael. Michael died at home surrounded by the people he loved. He was a supportive, caring, gentle, quiet man and will be greatly missed.

His funeral at Lincoln Crematorium on Friday 30<sup>th</sup> May will be a small family one, at his request. However, as Michael's passion was music, his family are arranging a musical event in Dunston in the Autumn to celebrate his life, to which everyone will be invited. The proceeds from this event will go to St. Barnabas Hospice at Home team, without whose help, Diana could not have carried out Michael's wishes to be nursed at home.

### **Pat Leach**

The Editors apologise most sincerely for distress caused to the family by the incorrect information reported in respect of the death of Pat Leach and for publishing this in the printed June Edition of the Dunston Dossier contrary to the family's wishes
